

Empowering the Future of OT

Michigan Occupational Therapy Education Consortium (MOTEC)
2019 Fieldwork Educator Days

Who Should Attend?

This workshop is designed for fieldwork educators for occupational therapy and occupational therapy assistant students. This includes those who are fieldwork education coordinators, supervisors, experienced fieldwork educators, and those who are new to or interested in becoming fieldwork educators.

The purpose of MOTEC Fieldwork Educator Days is to provide tools and resources to support best practice in fieldwork education and to share developments in Michigan occupational therapy programs.

Locations and Dates

7:30 a.m. - 3:30 p.m.

May 10th

Western Michigan University
Kalamazoo, MI

September 27th

Wayne State University
Detroit, MI

November 8th

University of Michigan - Flint
Flint, MI

Learning Objectives

- **Acquire resources to support student growth during fieldwork experiences.**
- **Evaluate student entry-level practice competencies.**
- **Receive updates on state and national policies that impact clinical education.**
- **Identify supervisory strengths and learn how to adjust supervision style to meet diverse student learning needs.**

Registration Information: There is **no fee** for this workshop, but seating is limited due to facility capacity. Please register early as registration is first come, first serve. If seating is unavailable, we encourage you to seek a different MOTEK event. Please let us know as soon as possible if you need to cancel your reservation so that we may offer the spot to the next individual on the waitlist. Please email the attached registration form to the contact for the workshop you wish to attend.

Workshop materials, directions, parking information & any additional details will be sent via email to registrants prior to the event. Please bring an electronic device to the event if possible.

Professional Development: 6.0 contact hours will be provided for the course. Participants must attend the entire day and complete the evaluation before contact hours can be awarded.
